Chapter 3, exercise G

G Transcribe both the British and American speaker saying the following.

British English speaker

Once there was a young rat named Arthur,

who could never make up his mind.

Whenever his friends asked him

if he would like to go out with them,

he would only answer, "I don't know."

He wouldn't say "yes" or "no" either.

He would always shirk making a choice.

American English speaker
