

Name _____

Chapter 6, exercise D

D Put a narrow transcription above the waveform of the phrase, *He started to tidy it*. The phrase has been split during the closure of the [t] in *to*. The location of the [d] in *tidy* is also shown. Measure (to the nearest 10 ms) the VOT in the waveforms of the stops.

First stop in *started* _____ ms.

Second stop in *started* _____ ms.

Stop in *to* _____ ms.

First stop in *tidy* _____ ms.

Second stop in *tidy* _____ ms.
